The property you are about to purchase may be served by a wastewater grinder pump located on the property that will require you to execute a separate service agreement with the District regarding the operations and maintenance of the pump and pay a separate fee. The power supply for any wastewater grinder pump serving the property will be the same as that serving other improvements on the property and interruption of that power supply will impede the operation of the grinder pump. The property owner shall be responsible for maintaining an adequate power supply to the grinder pump at all times.

The District is located wholly or partly within the extraterritorial jurisdiction of the City of Austin, the City of Lakeway, and the City of Bee Cave. Texas law governs the ability of a municipality to annex property in the municipality's extraterritorial jurisdiction and whether a district that is annexed by the municipality is dissolved.

The District is located wholly or partly within the corporate boundaries of the City of Lakeway and the City of Bee Cave. The municipalities and the District overlap, but may not provide duplicate services or improvements. Property located in the municipalities and the District is subject to taxation by the municipality and the District.

The purpose of this District is to provide water, sewer and drainage facilities and services. The cost of District facilities is not included in the purchase price of your property.
